DIA has had the insurance for MOISHES for approximately one year. (u)

[REDACTED] explained that the movers at MOISHES are all subcontractors. There are approximately 6 to 12 at any given time. [REDACTED] stated DIA carries separate insurance policies on each subcontractor's business. The subcontractors are all young individuals from Israel just out of the military. WORKERS COMPENSATION AND EMPLOYERS LIABILITY INSURANCE POLICY

In return for the payment of the premium and subject to all terms of this policy, we agree with you as follows:

GENERAL SECTION

A. The Policy

This policy includes at its effective date the Information Page and all endorsements and schedules listed there. It is a contract of insurance between you (the employer named in Item 1 of the Information Page) and us (the insurer named on the Information Page). The only agreements relating to this insurance are stated in this policy. The terms of this policy may not be changed or waived except by endorsement issued by us to be part of this policy.

B. Who Is Insured

You are insured if you are an employer named in Item 1 of the Information Page. If that employer is a partnership, and if you are one of its partners, you are insured, but only in your capacity as an employer of the partnership's employees.

C. Workers Compensation Law

Workers Compensation Law means the workers or workmen's compensation law and occupational dis-

ease law of each state or territory named in Item 3.A. of the Information Page. It includes any amendments to that law which are in effect during the policy period. It does not include any federal workers or workmen's compensation law, any federal occupational disease law or the provisions of any law that provide nonoccupational disability benefits.

D. State

State means any state of the United States of America, and the District of Columbia.

E. Locations

This policy covers all of your workplaces listed in Items 1 or 4 of the Information Page; and it covers all other workplaces in Item 3.A. states unless you have other insurance or are self-insured for such workplaces.

PART ONE—WORKERS COMPENSATION INSURANCE

A. How This Insurance Applies

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. Bodily injury by accident must occur during the policy period.
2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend

We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. reasonable expenses incurred at our request, but not loss of earnings;

2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance;
3. litigation costs taxed against you;
4. interest on a judgment as required by law until we offer the amount due under this insurance; and
5. expenses we incur.

E. Other Insurance

We will not pay more than our share of benefits and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. Payments You Must Make

You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:

1. of your serious and willful misconduct;
2. you knowingly employ an employee in violation of law;
3. you fail to comply with a health or safety law or regulation; or
4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

481-0837 (09/99)

PART I GENERAL TERMS AND CONDITIONS

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we," "us" and "our" refer to the Company providing this insurance.

This coverage part, Part I, replaces the "Conditions" on the reverse of the Declarations Page (if any).

Other words and phrases that appear in quotation marks have special meaning. Refer to Section G - DEFINITIONS.

A. COVERAGE

We will pay for "loss" to Covered Property from any of the Covered Causes of Loss.

1. **Covered Property**, as used in this Coverage Form, means property of others that you have accepted for transportation as a common or contract motor carrier under your tariff and bill of lading or shipping receipt issued by you, or as a contract carrier under contract.

We cover property only while:

- a. contained in or on any land vehicle while in "transit" and/or during "loading" or "unloading;" or
- b. at premises.

But, we cover property only at premises shown in the Declarations; coverage does not apply to property for which a storage charge is made.

2. Property Not Covered

Covered Property does not include:

- a. accounts, bills, blueprints, currency, deeds, evidences of debt, money, notes, securities, commercial paper or other documents of value;
- b. bullion, gold, silver, platinum or other precious alloys or metals, jewelry, watches, precious or semiprecious stones or similar valuable property;
- c. furs;
- d. paintings, statuary and other works of art;
- e. "intermodal" containers, trailers or other carrying conveyance;
- f. live animals, birds or fish except as follows:

We only cover your liability for theft or death or destruction directly resulting from or made necessary by fire, smoke, explosion, rioters, strikers, civil commotion, flood, or by collision upset or overturn of the vehicle

carrying the property, if these causes of "loss" would be covered under this Coverage Form;

- g. contraband, or property in the course of illegal transportation or trade;
- h. pads, tarpaulins, handtrucks, chains, tiedowns and similar equipment used on or in connection with vehicles you own or operate.

3. Covered Causes of Loss

Covered Causes of Loss means your legal liability as a common or contract motor carrier, either as imposed by law or assumed by contract, for Direct Physical "Loss" to Covered Property except those Causes of "Loss" listed in the Exclusions.

4. Coverage Extensions**a. Earned Freight Charges**

We cover your earned freight charges that you are unable to collect as a result of a "loss" covered by this Coverage Form. The most we will pay in any one occurrence is \$3,000. This limit is separate from the Limits of Insurance shown in the Declarations.

b. Debris Removal

- (1) We will pay your expense to remove debris of Covered Property caused by or resulting from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us within 180 days of the earlier of:

- (a) the date of direct physical "loss;" or
- (b) the end of the policy period.

- (2) The most we will pay under this coverage is 10% of the applicable Limit of Insurance for direct physical "loss" to Covered Property, up to a maximum of \$6,000 for the sum of all such expenses for each occurrence. The Debris Removal Limit is separate from the Limit of Insurance stated elsewhere in the policy.

c. Reloading Expense

If Covered Property is spilled as a result of an accident to the conveying vehicle, we will pay your expense to reload the Covered Property. This coverage applies when there is no "loss" to the Covered Property. The most we will pay in any one occurrence is \$6,000. This limit is separate from the Limits of Insurance shown in the Declaration.

481-0837 (09/99)

481-0837 (09/99)

The additional coverages for Debris Removal and Reloading Expenses do not apply to the cost to:

- (a) extract "pollutants" from land or water; or
- (b) remove, restore or replace polluted land or water.

B. EXCLUSIONS

1. We will not pay your liability for a "loss" caused directly or indirectly by any of the following. Such "loss" is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the "loss."

a. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread if the fire would be covered under this Coverage Part.

b. Nuclear Hazard

- (1) any weapon employing atomic fission or fusion; or
- (2) nuclear reaction of radiation, or radioactive contamination from any other cause. But we will pay for direct "loss" caused by resulting fire if the fire would be covered under this Coverage Form.

c. War and Military Action

- (1) war, including undeclared or civil war;
- (2) warlike action by a military force, including action in hindering or defending against an actual or expected attack, by any government, sovereign or other authority using military personnel or other agents; or
- (3) insurrection, rebellion, revolution, usurped power or action taken by governmental authority in hindering or defending against any of these.

2. We will not pay your liability for a "loss" caused by or resulting from any of the following:

- a. delay, loss of use, loss of market or any other consequential loss.
- b. dishonest acts by you, your employees or authorized representatives (including operators under contract to you).

This exclusion applies whether or not such persons are acting alone or in collusion with other persons or such acts occur during the hours of employment.

- c. spoilage, deterioration, contamination, freezing, rusting, extremes of temperature, shrinkage, evaporation, loss of weight, or change in flavor, finish or texture.

But we will pay your liability for direct "loss" caused by fire, explosion, smoke, riot or civil commotion, vandalism or malicious mischief, theft, collision, flood, upset or overturn of the transporting conveyance.

3. We will not pay your liability for a "loss" caused by or resulting from any of the following. But if "loss" by a Covered Cause of Loss results, we will pay for the resulting "loss."

- a. Weather conditions. But this exclusion only applies if weather conditions contribute in any way with a cause in event excluded in paragraph 1 above to produce the "loss."
- b. Wear and tear, any quality in the property that causes it to damage or destroy itself, insects, vermin and rodents.

4. We will not pay for any costs or penalties you incur for violation of any law or regulation that applies to your delay in payments, denial or settlement of any claim made against you by others for "loss" to Covered Property.

C. LIMITS OF INSURANCE

1. The most we will pay for "loss" in any one occurrence is the applicable Limits of Insurance shown in the Declarations.
2. The most we will pay for "loss" in any one occurrence to Race Horses, Show Animals, or High Valued Breeding Animals is 150% of the commodity meat price per pound on the day of the "loss" on the Chicago Mercantile Exchange.

D. DEDUCTIBLE

We will pay only the amount of the adjusted "loss" in any one occurrence in excess of the Deductible amount shown in the Declarations, up to the applicable Limit of Insurance.

E. GENERAL CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

1. Coverage Territory

We cover property within:

481-0837 (09/99)

481-0837 (09/99)

- a. the states of the United States (excluding Alaska);
- b. Canada

but we do not cover any property in transit to or from Hawaii.

2. Valuation

The value of property will be the least of the following amounts:

- a. 1. the amount for which you are liable;
- 2. the amount of invoice, or in the absence of an invoice, the actual cash value of that property as of the time of "loss;"
- b. the cost of reasonably restoring that property to its condition immediately before "loss;" or
- c. the cost of replacing that property with substantially identical property.

In the event of "loss," the value of property will be determined as of the time of "loss."

3. Labels

In the event of "loss" only at the identifying labels or wrappers containing the Covered Property, we will pay the cost to replace those labels or wrappers if the "loss" is caused by or results from a Covered Cause of Loss.

4. Concealment, Misrepresentation or Fraud

This Coverage Part is void in any case of fraud, intentional concealment or misrepresentation of a material fact, by you or any other Insured, at any time, concerning:

- a. this Coverage Part;
- b. the Covered Property;
- c. your interest in the Covered Property; or
- d. a claim under this Coverage Part.

5. Legal Action Against Us

No one may bring a legal action against us under this Coverage Part unless:

- a. there has been full compliance with all the terms of this Coverage Part; and
- b. the action is brought within 2 years after you first have knowledge of the "loss."

6. Records

You shall keep accurate records of your trucking business and all "gross receipts" from transporting the property covered by this Coverage Form. You

shall retain these records for three years after the policy ends.

7. Reimbursement to Us

We may endorse this policy at your request to comply with the requirements of the Interstate Commerce Commission or any other governmental authority.

If we pay any "loss" solely because of any such endorsement, you will promptly reimburse us for that payment and any other expense we have in connection with that payment.

8. Adjustment and Payment of Loss

At our option, we may adjust the "loss" with and pay to:

- a. you, for the account of whom it may concern; or
- b. your customer, or the owners of the Covered Property.

If legal actions are taken to enforce a claim against you, we reserve the right, at our option, without expense to you, to conduct and control your defense. This action will not increase our liability under your policy, nor increase the Limits of Insurance specified.

9. No Benefit to Bailee

No person or organization, other than you, having custody of Covered Property, will benefit from this insurance.

10. Policy Period

We cover "loss" commencing during the policy period shown in the Declarations.

11. Excess Insurance

You agree that no excess insurance over and above the Limits of Insurance of this policy shall be provided by any other policy.

F. LOSS CONDITIONS

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of "loss," either may make written demand for an appraisal of the "loss." In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having

481-0837 (09/99)

481-0837 (09/99)

jurisdiction. The appraisers will state separately the value of the property and amount of "loss." If they fail to agree, they will submit their difference to the umpire. A decision agreed to by any two will be binding. Each part will:

- a. pay its chosen appraiser; and
- b. bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties in the Event of Loss

You must see that the following are done in the event of "loss" to Covered Property:

- a. Notify the police if a law may have been broken.
- b. Give us prompt notice of the "loss." Include a description of the property involved.
- c. As soon as possible, give us a description of how, when and where the "loss" occurred.
- d. Take all reasonable steps to protect the Covered Property from further damage. If feasible, set the damaged property aside and in the best possible order for examination. Also keep a record of your expenses, for consideration in the settlement of the claim.
- e. Make no statement that will assume any obligation or admit any liability, for any "loss" for which we may be liable, without our consent.
- f. Permit us to inspect the property and records proving "loss."
- g. If requested, permit us to question you under oath, at such times as may be reasonably required, about any matter relating to this insurance or your claim, including your books and records. In such event, your answers must be signed.
- h. Send us a signed, sworn statement of "loss" containing the information we request to settle the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- i. Promptly send us any legal papers or notices received concerning the "loss."
- j. Cooperate with us in the investigation or settlement of the claim.
- k. You must promptly make claim in writing against any other party who may be liable for the "loss."

4. Insurance Under Two or More Coverages

If two or more of this policy's coverages apply to the same "loss," we will not pay more than the actual amount of the "loss."

5. Loss Payment

We will pay or make good any "loss" covered under this Coverage Part within 30 days after:

- a. we reach agreement with you;
- b. the entry of final judgment; or
- c. the filing of an appraisal award.

We will not be liable for any part of a "loss" that has been paid or made good by others.

6. Other Insurance

If you have other insurance covering the same "loss" as the insurance under this Coverage Part, we will pay only the excess over what you should have received from the other insurance. We will pay the excess whether you can collect on the other insurance or not.

7. Pair, Sets or Parts

- a. Pair or Set. In case of "loss" to any part of a pair or set we may:
 1. repair or replace any part to restore the pair or set to its value before the "loss," or
 2. pay the difference between the value of the pair or set before and after the "loss."
- b. Parts. In case of "loss" to any part of Covered Property consisting of several parts when complete, we will only pay for the value of the lost or damaged part.

8. Privilege to Adjust with Owner

In the event of "loss" involving property of others in your care, custody or control, we have the right to:

- a. Settle the "loss" with the owners of the property. A receipt for payment from the owners of that property will satisfy any claim of yours.
- b. Provide a defense for legal proceedings brought against you. If provided, the expense of this defense will be at our cost and will not reduce the applicable Limit of Insurance under this insurance.

481-0837 (09/99)

PART FOUR—YOUR DUTIES IF INJURY OCCURS

Tell us at once if injury occurs that may be covered by this policy. Your other duties are listed here.

1. Provide for immediate medical and other services required by the workers compensation law.
2. Give us or our agent the names and addresses of the injured persons and of witnesses, and other information we may need.
3. Promptly give us all notices, demands and legal papers related to the injury, claim, proceeding or suit.

4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.
5. Do nothing after an injury occurs that would interfere with our right to recover from others.
6. Do not voluntarily make payments, assume obligations or incur expenses, except at your own cost.

PART FIVE—PREMIUM

A. Our Manuals

All premium for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications

Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration

Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis. This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:

1. All your officers and employees engaged in work covered by this policy; and
2. All other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

D. Premium Payments

You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy

ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.
2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force, and increased by our short-rate cancellation table and procedure. Final premium will not be less than the minimum premium.

F. Records

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. Audit

You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

PART SIX—CONDITIONS

A. Inspection

We have the right, but are not obliged to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While

they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws, regulations, codes or standards. Insurance rate service organizations have the same rights we have under this provision.

481-0837 (09/99)

9. Recoveries

Any recovery or salvage on a "loss" will accrue entirely to our benefit until the sum paid by us has been made up.

10. Reinstatement of Limit After Loss

The Limit of Insurance will not be reduced by the payment of any claim, except for total "loss" of a scheduled item, in which event we will refund the unearned premium on that item.

11. Transfer of Rights of Recovery Against Others To Us

If any person or organization to or for whom we make payment under this insurance has rights to recover damages from another, those rights are transferred to us. That person or organization must do everything necessary to secure our rights and must do nothing after "loss" to impair them.

You may accept bills of lading or shipping receipts issued by other carriers that limit their liability to less than the actual value of the property.

G. Definitions

"Loss" means accidental loss or damage.

"Gross receipts" means the total amount of receipts to which you are entitled for the packing, loading, unloading and transporting of Covered Property, regardless of whether you or another carrier originated the transportation.

"Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes material to be recycled, reconditioned or reclaimed.

"Transit" begins with the actual movement of the goods from the point of shipment bound for a specific destination. It remains in transit during the ordinary, reasonable and necessary stops, interruptions, delays or transfers incidental to the route and method of shipment, including rest periods taken by the driver(s). Transit ends upon acceptance of the goods by or on behalf of the consignee at destination, but shall not extend beyond 168 hours following arrival at destination.

"Intermodal" containers are containers used in combination with another mode of transportation, such as trailer on flatcar.

"Loading" means the lifting or moving of Covered Property from the ground, or a loading platform immediately adjacent to the transporting conveyance, onto the transporting conveyance.

"Unloading" means the lowering or moving of Covered Property from the transporting conveyance to the

ground, or a loading platform immediately adjacent to the transporting conveyance.

H. Cancellation

This policy may be cancelled by the Insured by surrender thereof to the Company or any of its authorized agents or by mailing to the Company written notice stating when thereafter such cancellation shall be effective. This policy may be cancelled by the Company by mailing to the Insured at the address shown in this policy or last known address written notice stating when, not less than five (5) days thereafter, such cancellation shall be effective. The mailing of notice as aforesaid shall be sufficient proof of notice. The time of surrender or the effective date of the cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the Insured or by the Company shall be equivalent to mailing.

If the Insured cancels, earned premiums shall be computed in accordance with the customary short rate table and procedure. If the Company cancels, earned premiums shall be computed pro rata. Premium adjustment may be made at the time cancellation is effected and, if not then made, shall be made as soon as practicable after cancellation becomes effective. The Company's check or the check of its representative mailed or delivered as aforesaid shall be a sufficient tender of any refund of premium due to the Insured.

I. Changes

Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this policy or estop the Company from asserting any right under the terms of this policy, nor shall the terms of this policy be waived or changed, except by endorsement issued to form a part of this policy.

J. Conformity to Statute

Terms of this policy which are in conflict with the statutes of the State wherein this policy is issued are hereby amended to conform to such statutes.

481-0837 (09/99)

481-0837 (09/99)

PART II SPOILAGE OR FREEZING

We will pay for "loss" to Covered Property caused by spoilage or freezing due to mechanical or electrical breakdown of refrigeration or heating equipment, while on vehicles you own or operate, subject to the following additional conditions:

We will not pay for spoilage or freezing due to:

1. lack of fuel required to operate refrigeration or heating equipment;
2. disconnecting or unplugging refrigeration or heating equipment, or termination of power by turning off switches or similar devices;
3. failure to perform proper "maintenance" of the cooling or heating equipment according to manufacturer's recommended schedule.

"Maintenance" means:

1. to inspect cooling and heating equipment by you or your qualified representative at least once every 30 days;
2. repair or replace equipment as necessary;
3. record maintenance activities. These records will be available to us upon request.

PART III OWNER'S GOODS EXTENSION - INSURED'S MERCHANDISE

We provide coverage for loss or damage to your lawful goods and merchandise. The property must be in your custody and actually in "transit," in or on vehicles operated by you.

We do not cover your property while:

1. in or on your premises;
2. in any garage or other building where your vehicle(s) are usually kept.

Such merchandise shall be valued at amount of invoice, or in the absence of invoice, at market value on date and at place of shipment.

Our liability shall not exceed the limits specified in the policy declarations for:

1. the property of others for which you are legally liable;
2. the value of your own goods; or
3. both combined.

PART IV OWNER'S GOODS EXTENSION - EXTENDED COVERAGE PERIOD

Coverage on your property attached upon "loading" and ceases when "unloaded."

"Loading" means the lifting or moving of the Covered Property from the ground or loading platform immediately adjacent to the transporting vehicle onto the transporting vehicle.

"Unloading" means the lowering or moving of the Covered Property from the transporting vehicle to a loading platform or the ground immediately adjacent to the transporting vehicle. It is "unloaded" and coverage ceases when property has been lowered to or placed upon the ground or loading platform.

We will not cover property while it is being installed, erected or dismantled.

PART V SPECIFIED PERILS INCLUDING THEFT

Clause A.3. COVERED CAUSES OF LOSS is replaced by the following:

2. there are visible signs on the exterior of the vehicle that the theft was a result of forced entry.

PART VIII REDUCED THEFT LIMIT ON TARGET COMMODITIES

The most we will pay for "loss" caused by theft of alcoholic beverages (other than beer and wine), drugs and pharmaceuticals, electronics equipment, manufactured tobacco products, and precious metals and alloys, is 10% of the applicable Limit of Insurance, up to a maximum of \$25,000 in any one "loss."

PART IX THEFT OF AN ENTIRE LOAD (ONLY)

This officer was on special detail at the above location diverting traffic from further travel on Rt 3 east re-routing the traffic north on Rt120 and 3 west.

While diverting traffic, this officer was informed by dispatch of a national broadcast related to the terrorist attack earlier in the day. The information relayed was to be on the look out for a 2000 chevy van color white NJ registration JYJ13Y occupied with approximately 3 or more individuals (unclear as to male or female). A short time later this officer observed a van traveling quite slower than the rest of traffic east towards me on the service road that appeared to be a newer model chevy with at least two occupants. I immediately informed [] (The OIC at the scene) of the possibility of a match on the vehicle. As this officer approached the vehicle I did not observe a front license plate.

I went to the rear of the vehicle and observed the license plate (NJ JRJ13Y) I felt that the one letter difference in the plate could have been a mistake and requested a confirmation. The return transmission revealed the plate on the van matched the broadcast so at this time I returned to the driver door and requested the driver to stop the vehicle and exit. The Driver did not immediately exit the vehicle and was asked several more times but he appeared to be fumbling with a black leather fanny pouch type of bag. This officer then physically removed him. [] removed the passenger and one other passenger from the passenger side of the van and with minor assistance from [] the other two occupants were removed placed on the grass off to the shoulder and this officer read all five individuals their miranda rights. The van was secured and headquarters was requested to immediately notify the County Bomb Squad and FBI of the situation.

All occupants were transported to the state police facilities inside the Meadowlands sports complex by State Troopers to await the arrival of the FBI. The occupants were (Driver) [] w/m dob [] address given: [] Brooklyn NY and [] Israel wearing blue jeans torn knees and a gray and black shirt. [] w/m dob [] [] Miami Beach Fl 33139 Wearing jean overalls. [] no address given/ wearing a pink shirt and blue jeans. [] w/m dob [] No address given and uncertain of clothing description but individual was holding an American Express Card# [] w/m dob [] of [] Manhattan NY [] only personal belongings were a pack of Cigarettes and black sunglasses. I am not sure to the position of the other passengers.

While on a traffic detail diverting traffic to Rt. 120 as Rt. 3 east was closed, we were informed by our desk officer PO [] that there was a broadcast looking for a 2000 white Chevy van, NJ reg. JYJ-13Y, occupied by at least 3 people. After a short period of time, PO [] who was on the traffic detail with me, advised me that a van which was slowly approaching us matches that description of the broadcast. PO [] approached the driver's side of the vehicle and I approached the passenger side. I was able to see at least 4 people in the van, two in the front and two in the back. Officer [] read the plate number and I contacted the desk for confirmation on the plate number. PO [] advised me that the plate #, NJ reg. JRJ-13Y is one number off. He then contacted Hq and then it was confirmed that the plate on the vehicle was in fact the plate that the FBI had stated in the broadcast. While PO [] was removing the driver from the vehicle, I removed the front seat passenger and one of the rear seat passengers. As I was removing the front seat passenger he stated "we're Isreali". He was identified, via Isreal passport as [] W/M Dob [] of Isreal. He advised me that they were on their way to [] in Brooklyn where they are staying with a roommate. He did not have the exact address. [] and [] arrived at the scene. All five males were handcuffed and PO [] read them their miranda warnings. All five spoke and understood English and they acknowledged their understanding of miranda.

Bergen County Bomb Squad, State Police and FBI notified. The driver of the vehicle was [] W/M Dob [] of [] Brooklyn, NY. The rear passengers were: [] W/M Dob [] of [] Miami Beach, FL (he was wearing blue jean overalls); [] W/M Dob [] (no address given - wearing a pink shirt and blue jeans); and [] W/M Dob [] of [] Manhattan, NY.

FBI agents responded and took over the scene. All five were seperately transported to the State Police facilities in the Meadowlands Sports Complex by State Troopers. Further investigation by the FBI.

b6
b7C

[redacted] date of birth [redacted] Union City, NJ, telephone [redacted] was interviewed. After being advised of the official identity of the interviewing agent and the purpose of the interview she provided the following information: (u)

The morning of the interview, a white van was parked in the rear parking lot of the apartment complex. The van was white and had no windows on the sides. It appeared to be a utility van for an electric company. The name of the company, since forgotten, was in red letters on the van. (u)

Usually, utility or service vehicles at the complex building parked in the front. This vehicle was parked in the back which is why it came to the interviewee's attention. It seemed out of place. No further information was available. (u)
